## Application for membership of the Association

1. Please complete this form, either in hard copy or on screen and post or email to the Secretary at the address below, together with photographs of your work (in hard copy or as jpeg files as appropriate). Alternatively, if you have a website which includes high quality images of your furniture, please refer to that.
2. On receipt of your application we will normally arrange for two members to visit you at your workshop, preferably at a time when you have one or more pieces which are complete or nearing completion. The aim of the visit is to give current members an introduction to you and your work and to enable you to ask questions about membership of the Association.
3. Following the visit, your application will be presented at the next meeting of the Association. These take place approximately every [four] months, so please be patient.
4. Assuming that you are elected, you will be sent a welcome letter, an invoice for the first year's subscription, and instructions on how to upload images and text to the website.

We look forward to hearing from you.
